- Benjamin Franklin

**Growth** is never by mere chance; it is the result of forces working together.

## GREAT NEWS!

We are happy to announce that Corinthian Title has received its reissued license to transact business as an underwritten title company, including the handling of escrow business, in 28 counties in the State of California!

We attribute much of our success to a "back to basics" approach to providing products and services to our clients. We also embrace technology and have developed and introduced exciting new products, many of which are a first to the industry.

We are also proud to say that all products and services are produced here in California. We do not offshore our products and services like many of our competitors. This allows us to provide a fast and accurate product tailored to the needs of the client. It also gives back to our community and local economy by providing jobs here in California where they are needed.

Please contact your Corinthian Title Representative for more details, and for any title and escrow questions you may have!
